

DECLARATION 2017

Year of NEW LEVELS & GREATER HEIGHTS

JOB 22:28 – “thou shalt also decree a thing, and it shall be established unto thee: and the light shall shine upon thy ways”.

1. Every power struggling and working hard to waste my life this year will not succeed.
2. Every evil mark that has been attached to me by evil powers of darkness to make me fail, be disconnected by the blood of Jesus.
3. Oh Lord, give me sufficient fire this year to wipe out satanic forces from my life and environment.
4. Every black hand and black leg assigned to work against me this year be paralyzed.
5. No evil throne raised against my destiny, family, church and children will survive this year.
6. Every arrangement to empty my life must expire.
7. Every garment and veil of darkness sponsored into my life must burn to ashes.
8. Every property in my home that is an attraction for evil night visitors, be purged out by the blood of Jesus.
9. I prophecy to the East wind to blow away every evil screen of the devil against my prayer life.
10. This year I shall move from story to glory and from glory to glory.
11. I will move from no level to high levels and from no height to greater heights.
12. My purpose and my destiny shall be fulfilled this year. My praise shall be arrows in the heart of my enemies.
13. The Lord shall prevent my soul from death, my eyes from tears and my feet from falling this year.
14. My God shall give me reasons to jubilate, to celebrate and be repositioned this year.
15. I shall not give up. I decree and declare, I shall not back down. I shall not fail, but believe I will see the goodness of the Lord in this land of the living.
16. Sickness, disease, affliction, bewitchment and barrenness must be very far from me this year.
17. I have stayed in this position for too long. I mount up with wings like eagles to a higher height and greater level.
18. My God shall send me help from above, to strengthen, establish, settle and to perfect all that He has promised.
19. Every stubborn problem that has followed me all my life, dry up this year.
20. Every spirit veil blockage standing against my victory will not stand.
21. Every good thing that the enemy has turned against me shall return and favor me.
22. All those waiting to see me fall, will see me at my next level and higher height. My God shall intervene.
23. Any area in my life that the enemy has killed or twisted, be resurrected by fire.
24. I must fulfill my purpose this year, 2017, in Jesus' name.
25. I will testify to the glory of God this year. I am created to succeed, delegated to win, equipped to overtake and overcome, anointed to prosper, and blessed to become a blessing!
